Mums and Dads... If you've never entered your child in a Carnival now may be the time to consider doing so. 8's & under races are only 25m whilst older age races are run on handicap dependent on your child's ability.

Carnivals are for everyone, They assist in building your child's confidence and morale whilst helping them stay fit and healthy. Remember swimming is the Number 1 – low impact sport suitable for all ages & degrees of fitness.
